about

Everyone today is focused on sending their moms and babies home healthy and at GE we want to help by supporting your hospital's healthy mom and baby initiatives. Our focus at the Labor and Delivery Education days this year is to help educate clinicians on understanding your personal role in helping to change the trend of maternal mortality and morbidity in the USA.

agenda

- **We Can Change This:** The Nurses Role in Maternal Mortality, [Rose Horton, MSM, RN, NEA-BC](#)
- **The Role of Communication:** Open discussion, [Sharon Carpinello, RN, BSN, MBA](#)
- **The Importance of Making Maternal Safety your Top Priority,** [Shelly Betancourt, RNC-OB, LNC, MSN, MHA, WHNP-BC](#) and [Michelle Becher, DO, F.A.C.O.O.G](#) (Founders of Maternal 911)
- Complimentary lunch will be served.

Minimal of 3 CEU's will be available for participating in all the sessions.
